

Accessing Github Appendix 2.6 Recipes For Life

Github is where the student managed all the files for the project. To access the Github repo for Recipes For Life follow this link:

<https://github.com/karivmcmahon/RecipesForLife>

Github displays all the students' commits over the course of the project. As well as visualisations of progress. The visualisations of progress can be seen by clicking the contributor tab which will take you to a page which has tabs you can click on to show various different visualisations.

Below are a few images of what the Github repo looks like:
