

Minutes - Supervisor Meeting 8 – 18/11/2014

Summary

At this meeting we discussed receiving my ethical approval and I told my supervisor I started sending out surveys to forums and had already received 6 replies. I told my supervisor I hoped to spend the next week working on getting survey responses and discussing design sketches. I also updated my supervisor that my report first draft up to my design was nearly finished

Next Meeting

25/11/2014 – 3pm
