Recipes For Life
Appendix Outline
By Kari McMahon

The majority of the documents are in their original format and in pdf format in the appendix unless they are images. Occasionally some of the files in the appendix do not have a pdf version as there was no option to export to pdf but most of these files will have an image version instead. In the cases of the excel files they do have pdf versions but are better viewed in excel if possible.

1. **Requirements**
   1.1 Final Requirements Document
   1.2 Trello Details

2. **Project Management**

   2.1 Initial Project Plan
   2.2 Gantt Charts
          2.1.1 Initial Gantt Chart
          2.1.2 Final Gantt Chart
   2.3 Sprint Backlogs
   2.4 Supervisor Minutes
   2.5 Risk Assessment
   2.6 Github Link

3. **UML Diagrams**

   3.1 Class Diagram
   3.2 Database ER Diagram
   3.3 Actual database ER diagram after implementation

4. **Design Sketches**

   4.1 Paper prototypes
   4.2 Axure Design Sketches

5. **Source Code – To do**

   5.1 Application Source Code - Add
   5.2 Website Server Script Source Code - Add
   5.3 Accessing the central database
   5.4 Delete queries to be used when server jobs is available on the database.

6. **Testing & Refactoring**

   6.1 Blackbox Testing
   6.2 Accessing Unit Tests
   6.2 Refactoring Strategy
   6.3 Usability Tests

7. Ethics
7.1 Ethical Approval Document
7.2 Ethics Document
7.3 Updated Task Sheet
7.4 Feedback Questions

8. **Study Results**
8.1 Survey Results
8.2 Design Focus Group Results
8.3 User Testing Session Results
       8.3.1 User Testing Session 1 Notes
       8.3.2 User Testing Session 2 Notes
8.4 Evaluation Results
8.5 Summary of Participants Demographics Details
8.6 Scans of SUS, Consent & Demographic Forms
       8.6.1 Scans of Participants SUS Documents
       8.6.2 Scans of Participants Consent Forms
       8.6.3 Scans of Participants Demographic Forms

9. User Guide
9.1 User Guide
9.2 Images Used In User Guide

10. Misc

10.1 Licenses for images, fonts etc used in the application
10.2 Screenshots and figures used in report
10.3 Intended Audience Criteria & Personas

11. Poster

12. Demo Video & Booklet – To do

12.1 Demo Video
12.2 Demo Booklet

13. Copy of report in pdf – To do

13.1 Copy of report
13.2 Screenshots and figures used in report

14. Mid project report
